

COP2A: Although the clinic identifies the vulnerable group but Safety of them was not evidenced in some of the area of Panchkarma clinic Eg. No Railings over the staircase posing the risk of fall

- Patients with special need comes under Vulnerable group which includes children, elderly, physically or mentally challenged. We are taking good care of all patients but Railing work could not be done due to some inevitable reasons, now we have got the railing installed (Pictures attached for your reference)
